TASTING

The 2014 Graves de Pez is a fantastic showing, delivering attractive aromas and flavours of blackberries and ripe cherries, which are woven together with spices, tar, fresh cut floral and minerals. The medium to full body is well structured and expands beautifully across the palate. This continues to impress with excellent balance, and a wonderful round, polished texture, leading into a long velvety finish.

FOOD PAIRINGS

Saint Estèphe wines can pair quite well with food. The wines of St. Estèphe can be best when served with roasted, braised, or grilled meats like steak, veal, pork, beef, and game. St. Estèphe is also a natural wine and food pairing with hard and soft cheeses.
