

Château Deson

Magnum

AOC Bordeaux - 2022 - **RED**

PRESENTATION

"I took over the property in 1995, with my sister Sophie, we are the 4th generation! We have always been members of the Landerrouat winery, and our grandfather was its president in the 1970s. We have kept old vines from the 1930s, which allow us to make well-structured wines, and we have been using sustainable agriculture for the past 5 years. I have always lived here and seen my parents and grandparents work the vineyard and make a living from it. We are very much a "family" here, and we live next door to each other: it's like a small village. Our houses date from the beginning of the 20th century, all built according to the same traditional Gironde architecture."
