## Signé Bourgogne Côteaux Bourguignons

AOC Côteaux Bourguignons, Bourgogne, France

These Coteaux Bourguignons come from Gamay grape, a very old Burgundian variety.

The vineyards are located to the south of Saint-Gengoux-le-National, at the foot of the hills. The soil is calcareous.

In stainless steel tank.

Serving temperature: between 12° and 14°C.

Clothed in intense and brilliant colours, this crisp and ample wine gives a bouquet of red fruit berries. Supple and appealing in the mouth, it has a rich palette of flavours and reveals remarkable freshness.

Perfect with tapas, pizzas, grilled poultry, cheese platters.
