

umami

Le Vinfusé au CBD

France

UMAMI

UM = Uni-Médoc - AMI = Friend

PRESENTATION

The second product in the UMAMI range to be launched. The CBD-infused wine is a fusion of two distinct agricultural worlds within the same terroir : a Médoc cuvée from our co-op and hemp grown by one of our co-op members. One is infused into the other, and a new drink is born.

AGEING

Tank

VARIETAL

Merlot 100%

Contains sulphites.

SERVING

Serve between 13 and 15 degrees

AGEING POTENTIAL

3 to 5 years

TASTING

How difficult it is to describe a new product that straddles two worlds (wine and hemp)!

- From a wine perspective, we are dealing with a red wine with a deep purple color. The bouquet expresses a lovely basket of red fruits. The palate is both rich and invigorating, carried by silky tannins.

- From the hemp perspective, produced by one of our Verte & Rebelle winegrowers, we experience a taste of fresh grass and peppermint.

The harmony of these two worlds gives us a smooth and easy-drinking wine-based beverage.
