Rhonéa is a collective of 300 artisan winegrowing families across the Vaucluse, each cultivating small vineyards of around 10 hectares or less and rooted for three to four generations in some of the Southern Rhône Valley's finest terroirs. From Beaumes de Venise to Rasteau, from Vacqueyras to Ventoux, their wines reflect a shared story and a commitment to craft terroir-driven wines. Today, 20% of their vineyards are certified organic or in conversion, 98% of their bottles are made from lightweight glass -
