DOMAINE JEAN-PIERRE MALDANT

AOP Ladoix
Red**PRESENTATION**

Based in Ladoix-Serrigny, at the foot of the Corton hill, this family house dates back to 1895. Jean-Pierre Maldant chose in 1998 to leave the Hospices de Beaune to devote himself fully to his estate. Since 2010, his son Pierre-François Maldant has been in charge of vinification. The vineyard of 10 hectares extends over several prestigious villages of the Côte de Beaune: Ladoix-Serrigny, Savigny-lès-Beaune, Chorey-lès-Beaune, and Aloxe-Corton. Cultural practices are reasoned, with old-fashioned plowing and manual harvesting. The range covers a wide palette of appellations, from regional to Premier Crus and Grand Crus, including the renowned Corton-Charlemagne. Vinifications highlight balance and finesse, with precise aging that enhances the terroirs. Specificity of the estate: preserved family know-how, offering racy wines faithful to their terroir.

WINEMAKING

After sorting in the vineyard, the grapes are transported in small crates to the winery. They are 100% destemmed and gently transferred into vats using 400-liter bins, preserving the integrity of the berries and avoiding crushing during vatting. Fermentation lasts about 14 days, starting with a 3 to 5-day cold maceration at around 10°C to inhibit yeast activity. Punch-downs and pump-overs are performed twice daily, based on tasting, to extract color, tannins, and aromas.

AGEING

After a 48-hour settling period, the wine is racked warm into oak barrels. Aged for 11 months in oak barrels, 25% of which are new.
