Domaine Charton

AOP Bourgogne Aligoté, Champ de Perdrix, White

PRESENTATION
The Domaine Charton, located in Burgundy, has been cultivating vines in Mercurey since 1941. Deeply attached to the notion of terroir, it produces wines with unique characteristics, reflecting the typicality of their "Climats". The love of the vine and the wine is passed down from father to son within the family. Grandson of the founder, Vincent is now at the head of the family estate, supported and advised by his father Jean-Pierre. The estate operates 11.50 hectares of vineyards located on excellent terroirs of the Mercurey appellation, in the Côte Chalonnaise.

VARIETAL
Aligoté 100%

LOCATION
0.30-hectare plot.
Age of vines: 90 years old

TERROIR
Clay-limestone soil.

IN THE VINEYARD
Careful vine management with timely treatments and soil work throughout the growing season.

HARVEST
Manual harvesting with great respect for the vines.

WINEMAKING
Direct pressing.

AGEING
Aged in 100% oak barrels, with 15% new oak.

SERVING
Serve chilled, between 10 and 12°C.

AGEING POTENTIAL
2 to 3 years

TASTING
This Bourgogne Aligoté "Champ de Perdrix" offers a fresh and lively expression of the grape. Its pale gold color with green highlights hints at its bright acidity. The nose is charming, with aromas of citrus (lemon, grapefruit), green apple, and white flowers, along with a faint saline touch. The palate is clean and crisp, with sharp acidity and a precise mineral frame. The finish is zesty, refreshing, and leaves a clean, thirst-quenching impression true to the classic Aligoté style.

FOOD PAIRINGS
"Champ de Perdrix" is a bright, energetic wine—perfect with light and seafood-based dishes. It pairs beautifully with oysters, seabream ceviche, or sushi. For more traditional fare, try it with a goat cheese salad, fish rillettes, or a stir-fry of crunchy vegetables. It's also excellent as a chilled aperitif.
