

DOMAINE DE CANTALAUZE

Domaine de Cantalauze, Syrahcuse, France, Rouge, 2024
France

*“The result of rigorous plot selection and careful vinification, here is Syrahcuse!
The very soul of a southern Syrah: powerful and generous. »*

LOCATION

Because the vineyards are located in-between the Pyrenees to the South and the Black Mountains to the North, it enjoys a privileged climatic position where the excesses of the Mediterranean climate are tempered by the softness of the Atlantic influences. This extraordinary mixture - where the days are sunny and warm, where the wind blows almost continuously and where the nights are cool, gives Cantalauze wines a particular charm.
