Roche Belfond

AOC Bordeaux - 2024 - WHITE

PRESENTATION

The history of Roche Belfond is linked to the village of Bellefond, whose name means "beautiful fountain", in the heart of the Entre-deux-Mers. Known for its generous soils, the vines here produce quality grapes.
ROCHE BELFOND is a great classic produced by the winegrowers of Terre de Vignerons who are committed to respecting the people, the land and the Bordeaux tradition. Our winegrowers have at heart to cultivate their vines with passion and know-how and to transmit it to the generations to come.
