Moov

Partially dealcoholised, 6%, 75cl

ROSÉ

PRESENTATION

MOOV is a new way to experience wine-light, modern, and responsible !
With its reduced 6% alcohol content, MOOV enhances moments of sharing without excess- with friends, after work, or during an impromptu picnic.
Designed for a generation on the move, MOOV embodies freedom, energy, and conviviality.
A relaxed, no-pressure take on wine designed to win over the new generation !

THE WINE

VARIETALS: Cabernet franc, Merlot
WINEMAKING / AGEING: Produced in the IGP Atlantique region, focusing on a fruity, indulgent, and elegant profile. Partial dealcoholization through vacuum distillation. The profile is then enhanced with a slight addition of must to bring a touch of indulgence. No artificial aromas are used; we concentrate on the intrinsic organoleptic qualities of our IGP.

TASTING

A partially dealcoholized, fruity, and refreshing wine to enjoy without restraint !
Moov Rosé is fully on the fruit : fresh strawberries, raspberries... With a delicate hint of rose. The palate is fresh and ample, well-balanced with red berry flavors and a slightly tangy finish !

SERVING / FOOD PAIRINGS

SERVING: Serve fresh at 9°C.
FOOD PAIRINGS: Moov we'll be perfect for those always on the go, it will bring fun to unformal picnic or afterworks with friends.
