BOURGOGNE

Signé Bourgogne Rully Rouge

AOC Rully, Bourgogne, France

Subtle and fruity expression of the Pinot Noir grape, the famous variety of red Bourgogne wines.

North of the Côte Chalonnaise, the Rully vineyards extends over hillsides tormented by the uneven grounds, and offers varied soils, exposures and altitudes. The overall vineyard is located on the Rully plateau at an altitude of approximately 300 metres. Eastern exposure.

The soil is mainly composed of calcareous clay. The soil on this plateau is shallow, and the earth is red and composed of a multitude of small pebbles which contrasts with its colour.

Long aging period in oak barrels.

Serving temperature: between 14° and 16°C.

Slightly austere during his youth, this wine opens onto a bouquet of black (blackcurrant, blackberry) and red fruit (cherries), tending towards spicier themes (pepper). The fine tannins blend with the redcurrant and raspberry aromas on the palate.

Perfect with poultry; either roast or in sauce, grilled meats, pan-fried vegetables or a cheese platter.
