DOMAINE PHILIPPE GIRARD

AOP Savigny-lès-Beaune
Red

PRESENTATION

Located in the heart of Savigny-lès-Beaune, this family estate dates back over five centuries. Brothers Philippe and Jean-Jacques Girard, heirs to ancestral know-how, each developed their own estate. Today, Arnaud Girard, Philippe's son, takes over. The estate spans 11 hectares, practicing sustainable viticulture, with a distribution of 60% whites and 40% reds, on prestigious appellations: Savigny-lès-Beaune, Pernand-Vergelesses, Aloxé-Corton, Nuits-Saint-Georges, Pommard, and Volnay. Vinifications respect the vintage, with careful aging in oak barrels, offering elegant wines with great aging potential. Its distinctive feature? Rigorous family transmission and precise vinification that honor the terroirs of the Côte de Beaune.
