

## Château Guibonnet, Côtes-de-Bourg, 2020

### PRESENTATION

The history of Château Castel La Rose is intertwined with the fate of a man and a woman. This small vineyard was cultivated as "a garden" by the former owners, Mr. and Mrs. Gabillaud. Located near the old church of Villeneuve (11th century), the vineyard extends over the hillsides of the Côtes de Bourg appellation overlooking the Gironde Estuary. The Rémy Castel family, a family of independent winemakers, lives and works in harmony with nature with one goal: the production of wines combining power and elegance.

### WINEMAKING

Plot selection. Tannin extraction for 7 days with temperature control.

### VARIETALS

Merlot 75%, Cabernet-sauvignon 25%

### TASTING

Beautiful red color. Fruity and supple attack enhanced by tannins, typical of the terroir of the Côtes de Bourg. Aromas of ripe red fruits. A very smooth and fruity wine.
