## MERLOT

LES CLASSIQUES - IGP PAYS D'OC

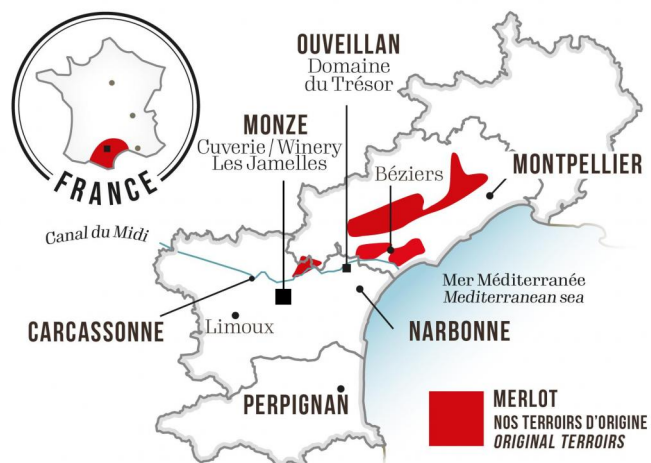

### VARIETAL

Merlot

### TERROIR

To obtain a wine with perfect balance that is typical of its varietal, the grapes are selected from five terroirs: the flatlands in the environs of Narbonne and the Aude River plain lend richness, length and structure; those along the coastal region near Béziers, opulence and freshness; while the vines located on the slopes of the Orb Valley and the Herault's Valley mid-slope vineyards contribute roundness, velvety tannins and freshness to the final blend.

- BALANCE AND TYPICITY, A BLEND OF WINES HAILING FROM 5 TERROIRS.
- AREAS ON THE PLAIN FOR RICHNESS AND LENGTH, ON THE COAST FOR CRISPNESS AND ON SLOPES FOR ROUNDNESS.
- A TYPICAL EXPRESSION OF THIS FRUITY, ROUND, COMPLEX, ELEGANT VARIETAL.
