PAVILLON LA TOURELLE AOC Bordeaux supérieur - Red

LOCATION

This region consists of limestone plateaux at around 100m above sea level, hence its name "Bordeaux's high country". Wines of the Bordeaux Supérieur appellation are produced in the vineyard zone of the Gironde. The wines must conform to rigorous quality criteria and are made from grapes from selected vineyard parcels and older vines. The red Bordeaux Supérieur is characterised by great aromatic complexity combining ripe fruits, floral aromas, spice and often a hint of oak.

PRESENTATION

During its long and sometimes turbulent history, the defence of Bordeaux has been ensured by controlling access to the Gironde estuary. Throughout the Médoc, fortified turrets (or "tourelles") were built to defend the region against invaders arriving by sea. The Pavillon la Tourelle range pays tribute to this heritage, with the distinctive turret logo on the label symbolizing the benevolence of the winemakers. And it flies the flag of quality for the different terroirs of Bordeaux that make it up.

WINEMAKING & AGEING

Destemming and crushing of the grapes. Alcoholic fermentation at controlled temperature with selected yeasts and maceration of the skins. It takes around 3 weeks to obtain a rounded wine with good structure. Part of the blend (about 20 to 30%) is aged in oak to add complexity to the wine's aromas without excessive oakiness.

VARIETALS

Merlot 60%, Cabernet sauvignon 30%, Cabernet franc 10%
