

ROCK 'N ROLLE[®]

Rock'N Rolle, Baby, Rosé, 2024

IGP Pays d'Oc, France

PRESENTATION

Rock'N Rolle" is much more than just a wine, it is a true ode to the creativity and vibrant energy of Rock'N Roll. Inspired by art and music, this name bridges the gap between the passion and authenticity of this iconic musical genre and the Rolle grape, at the heart of our vintages. Just as Rock'N Roll revolutionized music, Rolle, with its subtle aromas and freshness, redefines the tasting experience. Each bottle of "Rock'N Rolle" celebrates boldness, artistic expression, and the pleasure of wine, creating a perfect harmony between the art of the vine and the art of music.

TERROIR

This wine is produced from Grenache and Rolle grape varieties. The grapes were grown on vines aged 15 to 20 years, planted on the clay-limestone soils of Languedoc, near the Mediterranean coast. These two grape varieties thrive in arid regions. The climate of this area is hot, dry, and very sunny.

WINEMAKING

The grapes undergo direct pressing. Settling is crucial to obtain a very clear juice, which is then vinified like a white wine and fermented at a low temperature (15°C). For this wine, malolactic fermentation is not performed.

VARIETALS
