VINS & DOMAINES

DELAUNAY Vins & Domaines is a family group that was established in 1995 by Laurent and Catherine Delaunay. Our precious, distinctive know-how lies in the creation of wines. We craft a Chambertin Grand Cru from Edouard Delaunay, a Pinot Noir from Domaine de la Métairie d'Alon, and a Les Jamelles Chardonnay with the same fervour, high standards and precision.

our three estates.

From Edouard Delaunay's Grand Crus to single varietal wines, the scope of our production is extremely vast. It allows us to work with major players in the distribution sector: wine merchants, online sales, wholesalers, restaurant owners, and so on. We also rely on a solid network of importers to whom we entrust the distribution of our brands. In France, we offer an online site for purchasing our wines along with the possibility for individuals to make purchases too. Our sales teams are mainly based in France, but we do have offices in London, Shanghai, Tokyo and in Vietnam.
