

AMÉDÉE

VIGNOBLES EN PARC NATUREL

Château De Collongue, AOP Luberon, Rouge

AOP Luberon, Vallée du Rhône, France

Château de Collongue is known for its strong and distinctive personality, combining power and freshness.

PRESENTATION

The Château de Collongue dates back to 1618. Its vineyards are located at an altitude of between 200 and 350 meters on a late-ripening, highly calcareous terroir.

TERROIR

Château de Collongue is located on the southern slopes of the Luberon, among the best terroirs of the massif. The parcels on the slopes are composed of clay, pebbles and sand. The vines are 30 to 40 years old. All the vines are located in the Luberon Regional Natural Park.

IN THE VINEYARD

The plots are cultivated according to the principles of Organic Agriculture. The harvest is spread out between the end of September for the Syrah and mid-October for the Grenache. The grapes are 100% destemmed.

WINEMAKING

Fermentation is done at a controlled temperature, between 22 and 24°C. Traditional vatting of about 4 weeks. Free-run juice only. Gentle work on the cap of marc in order to sublimate the finesse of the tannins.

VARIETALS

Grenache noir 50%, Syrah 50%

15 % VOL.

Contains sulphites. Does not contain egg or egg products. Does not contain milk or milk-based products.

SERVING

Serve at 17°C. Pairs well with a roasted lamb souse and its cep sauce.

TASTING

The nose opens with a beautiful palette of ripe red and black fruits (raspberry, blackberry). On the palate, the intensity and brightness of the fruit combined with the crispness and power sign the personality of this unique terroir.

The tannins, dense and velvety, coat the palate. Notes of liqueur and violet are revealed. The finish is spicy. Full-bodied and balanced by freshness, this wine is flattering and structured.
