REVIEWS AND AWARDS

"The 2007 was the best youthful vintage, already eminently drinkable with lovely a concentration of ripe and dark fruit."

18.5

"This has a much deeper colour than the 2009 and looks considerably younger. This dense, youthful, black wine has a fabulous nose of roasted barbecued meat with hints of straw and herbes de Provence. There is lots of fruit on the palate. This is a real powerhouse. Solid, chunky and with great depth and length. Certainly the best young Trévallon that I've tasted."
