

## Château du Trignon Côtes du Rhône Red 2018

AOC Côtes du Rhône, Vallée du Rhône, France

The Roux Family acquired the Château du Trignon in 1896. Back then it was a traditional Provençal farm of the time, with mixed and livestock farming. Since then 5 generations have refocused the farm on the vine and expanded the estate; a qualitative approach is also underway. In 2006, the family Quiot charmed by the Dentelles de Montmirail, wish to perpetuate Château du Trignon.
