FLORE & MARIUS

IGP Atlantique - Red - 2022

LOCATION

The IGP Atlantique (Protected Geographical Indication) designates the great terroirs of south western France, which benefit from the favours of the Atlantic, with on the one hand the warmth of its sun, and on the other the ideal humidity provided by the sea spray. Close your eyes and enjoy a glass of IGP Atlantique wine : you're there !

PRESENTATION

Flore & Marius, this cheerful couple take us with them on their holiday, enjoying every moment of innocence that the sweetness of summer brings, whether on a bike ride, on the riverbank or on the way back from the market. A call for holidays !

It is in this spirit of sharing and of conviviality that we have developed a range of IGP Atlantique wines, unpretentious and suitable for all occasions, with a fresh Sauvignon Blanc, a fruity Rosé and a gourmet Merlot

WINEMAKING & AGEING

Destemming and crushing of the grapes. Alcoholic fermentation at controlled temperature using selected yeasts, with around 2 weeks on skins to provide a supple wine. Ageing in stainless-steel and concrete tanks. Slight sweetening before bottling to add roundness and indulgence.

VARIETALS

Merlot 100%

FOOD PAIRINGS

Serve at room temperature between 16 and 18°C with a nice piece of beef, linguine with pesto rosso or with a platter of cold meats.

TASTING

This wine has a bright red colour. On the nose and in the mouth, we find an explosion of greedy wild fruit aromas. A wine for pleasure, full-bodied and greedy.
