PRESENTATION

Coming from a lineage of winemakers settled in Meursault for over 10 generations, Domaine Vincent Bouzereau cultivates 10 hectares of vines on prestigious climates. The whites, dominated by Chardonnay, are vinified with fermentation in barrels and prolonged aging of 18 months, favoring a beautiful tension and complex aromatic depth. Thanks to traditional vaulted cellars, the wines benefit from optimal aging with a moderate wood contribution, preserving their freshness and elegance. The reds, made from Pinot Noir, offer an aromatic palette blending red fruits, undergrowth, and sweet spices, with a silky and balanced palate. The great mastery of long aging within the estate allows obtaining wines with a finished structure and exceptional aging potential.

VARIETAL

Pinot Noir 100%

LOCATION

A parcel of old vines ideally situated mid-slope, facing south-southeast.

Age of vines: 60 years old

TERROIR

Clay-limestone terroir.

IN THE VINEYARD

Soil cultivation, single Guyot pruning, debudding tailored to the age and vigor of the vine, sustainable practices.

HARVEST

Manual harvest.

WINEMAKING

Sorted on a table, destemmed and placed in open vats for fermentation with temperature control. Indigenous yeasts only no inoculation to preserve the typicity of the terroir and vintage. Daily punch-downs and pump-overs depending on the year. Pressed, then transferred to barrel.

AGEING

Aged for approximately 18 months. Racked after malolactic fermentation. Filtered if necessary depending on the vintage. Bottled at the estate.

SERVING

14-16°C

AGEING POTENTIAL

5 to 10 years

TASTING

The dense texture of this wine is supported by fine tannins. Its floral bouquet leads into a generous palate with notes of red berries.

FOOD PAIRINGS

This Auxey-Duresses stands up beautifully to bold red meats, wine-based sauces, and strong cheeses.
