VIGNOBLES EN PARC NATUREL

## Amédée, De Vrille en Vrille, AOC Côtes du Rhône, Rouge, 2022

AOC Côtes du Rhône, Vallée du Rhône, France

We have carefully blended this Côtes du Rhône to emphasize a very fresh expression of small red fruits, associated with a delicate and suave finish.

### PRESENTATION

Amédée's winemakers have been cultivating their vineyards in the heart of the Luberon and Ventoux for a long time. The range of "Vrille en Vrille" is an invitation to a stroll of discovery of terroirs which bring us closer either by the grape varieties or the limestone soils.

### TERROIR

Great diversity of terroir and different climatic contexts, gift the wines with a distinct style.
