PROPRIÉTÉ

PRESENTATION

Coming from a lineage of winemakers settled in Meursault for over 10 generations, Domaine Vincent Bouzereau cultivates 10 hectares of vines on prestigious climates. The whites, dominated by Chardonnay, are vinified with fermentation in barrels and prolonged aging of 18 months, favoring a beautiful tension and complex aromatic depth. Thanks to traditional vaulted cellars, the wines benefit from optimal aging with a moderate wood contribution, preserving their freshness and elegance. The reds, made from Pinot Noir, offer an aromatic palette blending red fruits, undergrowth, and sweet spices, with a silky and balanced palate. The great mastery of long aging within the estate allows obtaining wines with a finished structure and exceptional aging potential.

VARIETAL

Pinot Noir 100%

LOCATION

One-hectare plot located mid-slope with a south-southeast exposure.

Age of vines: 40 years old

TERROIR

A clay-limestone terroir.

IN THE VINEYARD

Soil work, single Guyot pruning, debudding adapted to the age and vigor of the vine, sustainable pest management.

HARVEST

Hand-harvested.

WINEMAKING

Grapes are sorted on a sorting table, destemmed, and placed in open vats for fermentation with temperature control. No added yeast only indigenous yeasts are used to preserve the typicity of the terroir and vintage. Punching down and pumping over are carried out daily, depending on the vintage. After pressing, the wine is transferred to barrels.

AGEING

Around 18 months. Racking after malolactic fermentation. Filtration if necessary, depending on the vintage. Bottled at the estate.

SERVING

14-16°C

AGEING POTENTIAL

5 to 10 years

TASTING

A round, balanced, full-bodied wine with long-lasting flavors. This rich wine features red fruit notes on the palate.

FOOD PAIRINGS

This Beaune Premier Cru pairs perfectly with red meats, meat dishes in sauce, and strong cheeses.
