# Château de Jad

Cuvée Classique
AOC Bordeaux - 2019 - **RED**

## PRESENTATION

"We have always lived in Morizès and our family have owed this château for four generations! Our ancestors were members-founders of cooperative wine cellar Gironde sur Dropt. Our house was built during the 18th century and was enlarged in 1840. We have recently renovated this traditional house which have crossed the ages.
During our usual works, we were very proud to discover an ancient oven. As the proud parents of a young Justine, Château de JAD takes the initials of our family: Justine, Aurélie and Dominique."
