

Croix d'Albret

AOC Bordeaux - 2024 - **WHITE**

PRESENTATION

Our most complete organic approach, from the vineyard to the bottle.

The range is eco-friendly from the vineyard to the bottle :

- An organic vine-growing : respect of the organisation's organic standards.
- A cork made of sugar cane. It is the first carbon neutral cork of the world !
- A cap, a box and a bottle with a reduced carbon footprint.
- A label made of 65% recycled fibre.

THE WINE
