PRESENTATION

At the heart of the world's largest wine-growing region, our 7,500 hectares of vines flourish on rich, varied soils: limestone, Villefranchian terraces and fertile valleys fed by the Hérault river. Cradled by an ideal Mediterranean climate, our plots enable us to harvest exceptional grape varieties, grown in compliance with the HVE3 charter.

REVIEWS AND AWARDS

JAMES SUCKLING.COM 89/100

Vintage 2023

"A fruity, well rounded and agile sauvignon blanc with a refreshing character. Notes of tropical fruit, herbs and warm spices on the nose, following through to a medium body. Fresh and juicy with a salty character in the soft finish. Drink now. Screw cap."
