

DOMAINE DUCLAUX

The Duclaux Family is one of the oldest in Châteauneuf du Pape. This family built up its domain through the centuries and was one of the first founder members of the appellation association in 1904.

The Quiot and Duclaux families built up bounds and family connections over the years. The last representative of this family, Emmeline Latour, died on 23rd April 2001.

Godmother of Florence and Jean-Baptiste Quiot, she bequeathed them this wonderful domaine
