

Puisseguin Saint-Emilion, LA VANNELLE, AOC Puisseguin-Saint-Emilion, Rouge, 2022

AOC Puisseguin-Saint-Emilion, Bordeaux, France

PRESENTATION

This wine is the result of rigorous work by our winemakers, oenologists, and cellar masters.

THE VINTAGE

This vintage is exceptional. Despite the hot summer temperatures and low rainfall, the harvest was of high quality and produced wines that are both sun-kissed and refined.

TERROIR

Puisseguin is located in front of the Saint-Emilion plateau. The appellation covers about 760 hectares. Located on clay-limestone soils, they allow the production of fleshy and complex wines that have good aging potential.

WINEMAKING

Traditional winemaking with control of adapted temperatures. Rackings are carried out to optimize and accentuate the extraction of fruit, color, richness, and roundness in the wine.

AGEING

We have carried out an alternative wood aging, which allows us to fully control the woody notes, keeping them discreet, while bringing smoothness and letting the fruity notes shine. This is complemented by aging in concrete tanks to preserve the wine's freshness and fruit expression.
