

AOC Beaumes de Venise Rouge 2021

AOC Beaumes de Venise, Vallée du Rhône, France

Beaumes-de-Venise is an elegant wine that develops magnificent aromas of red fruits, fresh pepper and blackcurrant.

LOCATION

Spreads out over the south-east side of the Dentelles de Montmirail hills, in Beaumes de Venise in the southern part of the Rhone valley.

TERROIR

On a poor sandy, hungry and arid soil consisting of tender limestone and gritty zones of sandy mollasse.

IN THE VINEYARD

The vineyards and their terroir are the essence of our wines. This is where everything starts and where we focus our efforts throughout the year. You can't make great wine without great grapes.

The viticulture is essentially done by hand. Five people work full-time in the vineyards. They are supplemented by seasonal employees who work during bunch thinning and the harvest in order to bring out the very best in our vines. Working by hand and the attention each vine gets are fundamental. Pruning, de-budding, trellising, leaf removal and picking are thus carried out by hand with the utmost care.

We prepare the soil by using good old-fashioned ploughing. Organic compost is made from grape marc (the discarded stalks and skins).

We use and abide by countrywide standards for 'sustainable agriculture'.

As a way of protecting the plants, we only use phytosanitary products when necessary and within strict guidelines by staggering the treatments appropriately, to minimise the amount of chemicals used. We prefer to use as much as possible manual and organic techniques. Leaving natural grass cover, removing buds and leaves from the vines, preserving biodiversity around the vineyard: olive, almond and cypress trees, wild rosemary and capers.

VINIFICATION

We make two red wines at the estate. Terroir wines shaped by the two classic Côtes du Rhône varieties: Grenache and Syrah. We don't follow any winemaking recipe but are constantly searching for the perfect expression of terroir and each vintage's particular characteristics. We don't go for overripe grapes and over-extraction, as we think the wine has to stay refreshing and balanced.

Leaving the wine for 15 days in concrete vats, we try to gently extract the tannins and anthocyanins essential for the wine's structure and colour. The wine doesn't come into any contact with wood during ageing. This way the characteristics of our terroir can fully express themselves.

REVIEWS AND AWARDS

16+/20

"Expressive floral notes on the nose - violets with cassis and blackcurrant beneath. A rich, layered palate with firm grippy tannins, a smoky herbal note and an excellent sense of freshness. The tannins are well judged and, while grippy now, will soften into the dark-fruit saturated core. Fresh, pure and vibrant."

Alistaire Cooper, Jancis Robinson, 21/11/2022

93/100

"Interesting blend, and it comes through on the nose - it's a fruity, floral style of Beaumes that's really appealing. Full-bodied, rounded, generous and fluid, with very fine tannins. This is a real success in 2021. Also contains 5% Mourvèdre and 4% Grenache Blanc. No destemming, aged 12 months in stainless steel."

Matt Walls, Decanter, Decanter, 29/11/2022

92/100

"Le Beaumes-de-Venise rouge est cossu, ce vin possède de bons arguments pour vieillir gentiment."

Olivier Poussier - Meilleur sommelier du monde 2000, La Revue du Vin de France
