

# DOMAINE DES MAISONS NEUVES

AOP Chiroubles  
Red

DVP

DOMAINES  
ET VINS DE  
PROPRIÉTÉ

## PRESENTATION

The Domain of VINS MAISON JAMBON opens its doors in 2019 to the production of ORGANIC wine with the creation of the company VIGNOBLES JAMBON on an area of 8 hectares spread over 3 appellations and two grape varieties. This type of cultivation leads us to no longer use organic molecules and commits us to the path of restructuring and soil amendment, herbicides becoming "persona non grata" for the greater good of biodiversity. The production of organic wines thus promotes interaction between species, soil life, the sustainability of animal and plant species and their natural ecosystems. This transition to ORGANIC of part of the DOMAINE des VINS MAISON JAMBON is for us a way to revive

## VARIETAL

Gamay 100%

## LOCATION

Plots in the hollows of the famous Mont Brouilly valleys.

## TERROIR

Granitic soils.

## HARVEST

Manual harvesting to preserve the integrity of the clusters during vinification.

## WINEMAKING

The winemaking process remains traditional with an average maceration period of 12 days.

## AGEING

Stainless steel tank breeding.

## SERVING

14 to 16°C

## AGEING POTENTIAL

5 to 10 years

## TASTING

Tender and harmonious, carnal, gourmet wine, full of red fruits. It can be supple or a little more structured depending on its age.

## FOOD PAIRINGS

Will perfectly accompany dishes in sauce, charcuterie, main courses.
