Les Jamelles

THE PRINCIPAL GRAPE VARIETY OF THE CAHORS APPELLATION, MALBEC IS ALSO GROWN IN THE BORDEAUX REGION. THIS EARLY-RIPENING GRAPE YIELDS A WINE THAT IS EXTREMELY FRUITY AND FRAGRANT WITH DEEP COLOUR AND SOLID TANNINS THAT MAKE IT WELL SUITED TO LAYING DOWN. IN ORDER TO EXPRESS ITS FULL POTENTIAL, THIS RATHER CAPRICIOUS GRAPE VARIETY NEEDS TO BE GROWN IN POOR SOIL, THAT WE HAVE FOUND ON DIFFERENT CHOSEN TERROIRS, AND HARVESTED AT OPTIMAL MATURITY.

TERROIR

Malbec is scarce in the Languedoc. We have nevertheless found very diverse terroirs whose 30-year-old vines produce low yields of high quality grapes. These plots are located on the slopes of the Orb Valley, in the Hérault department, where the soil is very warm and strewn with rounded stones. These grapes lend depth and colour to the wine ; in the western Aude department where the soil is cool and deep. And finally on the dried-up marsh of Marseillette whose slightly salty calcareous clay soil strewn with rounded stones, combined with the coolness due to numerous canals and the poplar trees that line them, allow the grapes to reach an exceptional level of ripeness.

- POWER AND STRENGTH : OWED BY A 3 DIFFERENT TERROIRS BLEND.
- WARM TERROIRS FOR RICHNESS AND COOL TERROIRS WITH DEEP CALCAREOUS SOIL FOR FINESSE AND CRISPNESS.
- 30 YEARS OLD VINES WITH LOW, HIGH-QUALITY YIELDS : ELEGANT, RICH STYLE AND LOVELY COMPLEXITY.

WINEMAKING

his Malbec was produced in strict accordance with kashrut (Jewish dietary laws). From harvest to bottling, every stage of the process is carefully supervised by a rabbi. The grapes are harvested at optimal ripeness. They are fully destemmed and then vinified in concrete vats with controlled temperatures. Traditional maceration lasts about 8 days. The tank is then racked, with the press wine discarded by the rabbinic supervisor. After malolactic fermentation, the wine is racked again to remove the lees.

TASTING

Endowed with ruby colour enhanced with red highlights, Les Jamelles Malbec is a powerful wine, with a spicy nose reminiscent of liquorice and both red and black fruit. It is supple on the palate though well structured, boasting big fruit along with persistent spicy notes and fine tannins that give elegant length.
