Loire, Château de Parnay, Clos des Meuniers, AOC Saumur-Champigny, Rouge

AOC Saumur-Champigny, Vallée de la Loire et Centre, France

Great history linked to Antoine Cristal : a famous winemaker from the Loire Valley in the early 1900's, who invented a singular growing technique : roots of the vines are on one side a wall (in the shadow), while the vines goes through the wall and the "head" is in the sun, and heated in the night by the stone of the wall. Where is this technique is being used , the plot of vine is called Clos d'Entre. This single vineyard is very specific to Château de Parnay, which has the same owner as Château de Princé

TASTING

The color is intense garnet red, with brilliance and transparency. It already evokes intensity with a lot of subtlety.

The nose is complex, the fruit is ripe and lively, we find the finesse of the geographical exposure allowing the grape to ripen gently, without excess heat.

The mouth is very intense, red fruits mingle with notes of roasting, with small spicy touches... what a complexity! The whole without extravagance, with a lot of balance. The barrel ageing is a perfect match for the wine, it brings expression and substance without dominating it.

FOOD PAIRINGS

Rabbit stew, beef, sirloin with boletus mushrooms.
