DOMAINE DU CLOS SAINT LOUIS

AOP Côte de Nuits-Villages
Red**PRESENTATION**

Located in Fixin, in Côte de Nuits, Domaine Du Clos Saint Louis is a family estate that exploits parcels on prestigious climates, benefiting from iron-rich limestone soils. Practicing sustainable viticulture, the estate relies on exclusively manual harvesting and traditional vinifications in open tanks to preserve the natural elegance of Pinot Noir. Aging in oak barrels, with a measured proportion of new wood, brings remarkable depth without masking the purity of the fruit. The reds from the estate offer a fine tannic structure, aromas of black cherry, undergrowth, and spices, with a silky palate and beautiful persistence. An essential reference for lovers of Fixin and great Burgundy wines tailored for aging.

VARIETAL

Pinot Noir 100%

TERROIR

Clay-limestone soils.

IN THE VINEYARD

Yields are controlled through spring debudding and green harvesting in July.

HARVEST

All our grapes are harvested entirely by hand, with strict selection carried out by the pickers.

WINEMAKING

After full destemming, fermentation takes place over three weeks, beginning with a cold pre-fermentation maceration and gentle cap management.

AGEING

Aged in oak barrels for approximately 12 months, with 15% new oak.

SERVING

Serving temperature: 14 to 16°C

AGEING POTENTIAL

3 to 5 years

TASTING

Deep in color and aromatically complex, this wine reflects the energy and strength of its terroir. Aromas typically reveal layers of cherry, redcurrant, and blackcurrant, enhanced by hints of spice. The palate shows structure and breadth, with powerful expression, generous texture, and remarkable roundness. Its richness and density promise excellent ageing potential.

FOOD PAIRINGS

Enjoy it with all types of red meat, terrines and pâtés, roasted or pan-seared offal, tender pork dishes—roasted or in sauce—slow-roasted lamb, and braised veal.
