DOMAINE ROGER BELLAND

AOP Meursault Premier Cru Les Santenots Blancs
White

PRESENTATION

Domaine Roger Belland, founded in 1839, is located in the heart of the village of Santenay, in the south of the Côte de Beaune. Roger Belland and his daughter Julie represent the fifth and sixth generations of Domaine Belland. Passionate about exceptional wines, they cultivate 23 hectares of vines, located on the finest terroirs of the 1st and grand crus of the villages of Maranges, Santenay, Chassagne Montrachet, Puligny Montrachet, Meursault, Volnay and Pommard. The domaine's viticulture is sustainable and respectful of the environment.

VARIETAL

Chardonnay 100%

LOCATION

Plot located between the villages of Volnay and Meursault. It qualifies as a Meursault Premier Cru when planted with Chardonnay.

Age of vines: 50 à 70 years old

TERROIR

Shallow limestone soil, rich in stones.

IN THE VINEYARD

Guyot pruning with very early debudding and leaf removal (at the floral cap fall stage).

HARVEST

100% manual harvest with meticulous sorting in the vineyard.

WINEMAKING

Whole-cluster pressing with light crushing. Long, gentle pressing using a pneumatic press. Juice settling for 24 to 48 hours. Alcoholic and malolactic fermentations take place in barrels. Aged on lees with occasional bâtonnage between the two fermentations. The wine is filtered and bottled at the estate.

AGEING

Aged for 12 months in 228L oak barrels, 30% of which are new. Malolactic fermentation occurs during barrel ageing.

SERVING

10 to 12°C

AGEING POTENTIAL

10 to 15 years

TASTING

A wine marked by great freshness and minerality, quite rare for a Meursault. Pressed citrus notes emerge on the nose, leading to a slightly saline finish.

FOOD PAIRINGS

Sole meunière, trout with almonds.

PRODUCTION VOLUME

1 800
