

CHATEAU LES PINS

Château Les Pins Muscat de Rivesaltes 2023 AOP Muscat de Rivesaltes, Languedoc-Roussillon, France

PRESENTATION

Located in the heart of the Catalan village of Baixas, Château les Pins is a real master's house, steeped in history. Founded in 1854 by the Duverney family, proud defenders of their cellar, its terroir, and its traditions, it is in this spirit that our limited-edition cuvées represent this chivalrous nobility, with refined, cultivated, and conquering wines. Today, it houses the Town Hall and a barrel cellar where mainly our natural sweet wines age.
