

## Château Moulin de la Mothe 2023

AOC Haut-Médoc, Bordeaux, France

### PRESENTATION

The vineyard had been completely uprooted by the former owner in the late 1990s. It was completely replanted in 2016-2017 by young cooperative members. This is a true renaissance, with a planting density of 6,500 vines per hectare. It is located in the commune of Saint-Seurin-de-Cadourne, north of the Haut-Médoc appellation.

### TERROIR

100% Clay-Limestone

### WINEMAKING

The winemaking is traditional Médoc style with a minimum 3-week post-fermentation maceration.

### AGEING

Tank

### VARIETALS

Merlot 85%, Cabernet sauvignon 15%

### TECHNICAL DATA

Surface area of the vineyard: 7.5 ha

### 14 % VOL.

Contains sulphites.

### SERVING

Serve between 16 and 18 degrees

### AGEING POTENTIAL

5 to 10 years

### TASTING

Color of an intense red with purple reflections. Open nose of ripe fruits. The attack is frank and clear, the tannins are supple. The mouth is both powerful and greedy with a fruity finish.
