# DOMAINE CHARTON

AOP Mercurey Premier Cru Le Clos du Roy  
Red

## PRESENTATION

The Domaine Charton, located in Burgundy, has been cultivating vines in Mercurey since 1941. Deeply attached to the notion of terroir, it produces wines with unique characteristics, reflecting the typicality of their "Climats". The love of the vine and the wine is passed down from father to son within the family. Grandson of the founder, Vincent is now at the head of the family estate, supported and advised by his father Jean-Pierre. The estate operates 11.50 hectares of vineyards located on excellent terroirs of the Mercurey appellation, in the Côte Chalonnaise.

## VARIETAL

Pinot Noir 100%

## LOCATION

0.88-hectare plot.  
Age of vines: 40 years old

## TERROIR

Marls with little limestone and hard limestone with flints.

## HARVEST

Hand picking, selective sorting.

## WINEMAKING

100% destemming-crushing. Pumping over and punching down 23 days of maceration.

## AGEING

100% oak barrels for 10 months with 25 to 30% new barrels.

## SERVING

Serving temperature: 14 to 16°C

## AGEING POTENTIAL

5 to 10 years

## TASTING

This Mercurey Premier Cru "Le Clos du Roy" reveals a characterful Pinot Noir, with elegant expression deeply rooted in its terroir. The intense ruby color hints at structure and depth. The nose opens with a complex bouquet of ripe red fruits—morello cherry, wild strawberry—enhanced by underbrush, soft spices, and a hint of smokiness from barrel ageing. On the palate, the attack is direct, the texture dense yet silky, supported by fine tannins and vibrant freshness. The finish is long, harmonious, and leaves an impression of purity and depth.

## FOOD PAIRINGS

This wine pairs beautifully with flavourful yet refined dishes. Try it with herb-crusted slow-cooked lamb shoulder, or roast duck with figs. For a more traditional option, it's perfect with roast chicken and wild mushrooms or a duck confit shepherd's pie. For a vegetarian pairing, consider a warm caponata or roasted root vegetable gratin to bring out its finesse and complexity.
