Le P'tit Pinot, Vin de France, Rouge, 0

Vin de France, VSIG, France

The development of Les P'tits Cépages wines would not have been possible without the relationships that Bruno was able to establish with several Languedoc growers over the last twenty years or so. Bruno was able to persuade those growers to partake in his project, thereby gaining access to top-quality grapes.

PRESENTATION

Both hailing from the same region – Burgundy – Bruno Lafon and Pinot Noir have definitely something in common! The relatively high altitudes of the vineyards selected by Bruno provide the optimal temperate conditions necessary for aroma and color development in the wine.

LOCATION

An immense amphitheatre facing the sea, the Languedoc-Roussillon is a multifaceted region, shaped by coastal zones, mountains, crests and higher-altitude terroirs. Between the Pyrenees to the south-west, the Cévennes to the north-east, the Montagne Noire to the north-west and the Mediterranean coast to the south.

WINEMAKING

Traditional vinification in stainless steel tanks, using low temperature fermentation (under 20°C/68°F). Short after fermentation maceration in tanks for 2 to 4 weeks, before bottling.

TASTING

This bottling is an aromatic Pinot Noir with a lively personality, expressing strawberries, raspberries and red cherries on the nose, the hallmarks of a classic Pinot grown in a cool terroir. The ruby color in the glass suggests juicy summer red fruits on the palate, intermingled with flavors of freshly ground clove and goji berries. Silky soft tannins and a hint of dried herbs linger on the finish. Complements a variety of dishes including grilled pork sausage with white asparagus or fresh salads tossed in balsamic vinegar.

REVIEWS AND AWARDS

"My favorite Pinots are the ones grown in Coll terroirs favoring late ripening, ideal conditions for this noble variety to produce elegant and lively wines. I crafted this wine in a simple fashion with red cherry scents wafting from the glass, the hallmark of a savory Pinot Noir with appealing length."
