

## Carrelot des Amours

Vin de France - **SWEET ROSÉ**

### PRESENTATION

Carrelot des Amours is an atypical rosé, made from Muscat of Hamburg. This rarely vinified grape variety gives the rosé a distinctly indulgent and original character.

The vineyard extends over 70 hectares of boulbène, gravel and clay-limestone soils, mainly located in Tarn-et-Garonne and Lot-et-Garonne.

### THE WINE

**VARIETALS:** Muscat de Hambourg 100%

**WINEMAKING / AGEING:** Pressed rosé. Clarification by flotation. Low-temperature fermentation (16–18°C).

### TASTING

With its coral hue, it reveals a pleasant nose with aromas of fresh grapes, rose, lychee and white peach.

The palate is fruity, clean and crisp.

### SERVING / FOOD PAIRINGS

**SERVING:** Serve very fresh between 4° and 6°C.

**FOOD PAIRINGS:** A true pleasure wine, it is perfect for aperitifs and desserts.
