

AB AGRICULTURE BIOLOGIQUE EN CONVERSION

# Burgundy, Domaine des Arbillons, AOC Saint-Véran, Blanc

AOC Saint-Véran, Bourgogne, France

The story of Les Arbillons began a few years ago, thanks to the desire of a family firmly rooted in Burgundy to reconnect with its farming roots, and a meeting with passionate Mâconnais winemakers keen to pass on a family heritage.

The union of Cave du Père Tienne and Domaine des Perelles gave birth to Les Arbillons.

### **PRESENTATION**

The domaine works on a parcel-by-parcel basis, so that our wines express all the richness of our terroirs, allowing a unique experience of nature's expression (to be confirmed with the person who makes the wine).

#### **TERROIR**

Chardonnay flourishes on the clay-limestone soils of Chânes.

#### IN THE VINEYARD

Since the end of July 2023, the domaine has been running a 6 ha project in the future Burgundy Dijon appellation, at Corcelles-les-Monts in the Côte-d'Or.
