LA ROSE VERLAINE

AOC Bordeaux - Rosé - 2021

LOCATION

Bordeaux is the largest vineyard for appellation wines in the whole of France. Situated in the South West near the Atlantic, it is crossed by the rivers Garonne and Dordogne and enjoys a temperate maritime climate. The richness, the quality and the diversity of its wines derive from the particular character of the terroirs, the experience of the winegrowers and the art of blending. The Bordeaux rosé appellation wines are made using a short skin contact of just a few hours; the juice, free of tannins, is then vinified like a white wine. Bordeaux rosés are supple with fruity aromas, fresh, elegant and long on the palate.
