PRESENTATION

At La Vicomté, we take pride in mastering the entire value chain, ensuring excellence from vine to bottle. Our bottling department is dedicated to providing a diverse range of services tailored to meet the unique requirements of each customer. As part of our ongoing commitment to quality, our bottling line has been IFS-BRC certified, guaranteeing the highest standards of safety and hygiene.

TERROIR

Our millenium-old vineyards span across rolling hills, basking in the radiant southern sun. Here, our vines thrive on the distinctive Villefranchian terraces and clay-limestone soils, nurtured by the rich sediments of the River Hérault. Experience wines with unparalleled character, crafted from our exceptional terroir.

IN THE VINEYARD

Crafted sustainably under the HVE3 environmental charter and organic agriculture practices, our fresh, fruity, easy-drinking vegan wines promise a taste experience that encourages conviviality and sharing. As pioneers in the field, we actively engage in groundbreaking research initiatives with INRAE (French National Institute for Agronomic and Environmental Research) in Montpellier, exploring innovative grape varieties that thrive amidst changing climates. Join us in embracing the future of winemaking.
