Colli Euganei,

Monte Versais the name of the hill where our estate is located (Monte which means mount) and Versa as name of the hill. Monteverza is owned by Voltazza Santino's family who bought the estate in 2007. Monteverza winery is biologically certified both for vineyards and olive groves since 2010, so right from the first harvest. Grapes are manually picked and laid in small crates up to 20 Kg; grapes are picked at full technological ripeness.

Monteverza wines have a classic style, therefore our products have to

TASTING

Displaying a gorgeous deeply hued, opaque colour, this begins to release aromas of blackberries, dark cherries, roasted coffee, sage, tobacco, spices and hints of violets, which all come together in the glass. It continues to impress with notable concentration and depth, as it glides into the long, sleek finish.
