Xavier Vignon, Xavier, AOP Côtes-du-Rhône, Rosé AOP Côtes-du-Rhône,

Xavier Vignon is one of the top consultant winemakers in the south of France. He used to be a master Champagne blender (so he knows a thing or two about constructing wines) but now lives in the Rhône Valley from where he visits around 300 estates to advise them on viticulture and vinification. At the end of each year, as he hands over his bill, he offers some of his employers to exchange it for barrels to make his own blends - well, that's more or less how it works!
