

DOMAINE de TRÉVALLON

FAMILLE DÜRRBACH

Domaine de Trévallon rouge 2016

Indication Géographique protégée Alpilles,

PRESENTATION

40th vintage of the estate.

THE VINTAGE

Unfortunately, wild boars made it in the vineyard ...

We never had such damage in the past: 30% of the harvest was lost. Preferring Syrah more, the wild boars ate less Cabernet. The 2016 vintage, due to this "natural" selection, will be made up of 60% Cabernet.

HARVEST

Start of the harvest: September 12th

End of the harvest: September 22nd

VARIETALS

Cabernet sauvignon 60%, Syrah 40%

13.5 % VOL.

Contains sulphites.

TASTING

A wine with great aromatic complexity: star anise, licorice, wild blackberry, blackcurrant, cedar ... Beautiful ripe tannins and great freshness. Impressive vintage 01/2019
