DOMAINES  
ET VINS DE  
PROPRIÉTÉ

## PRESENTATION

Domaine Mathias is part of a family winemaking tradition spanning several generations. Its history dates back to Antoine Charvet, a winemaker and carpenter, who received an award in 1894 for the quality of his white wine from Chaintré. After him, his daughter Marie-Madeleine and her husband Claude Mathias continued to grow the estate. In 1958, Jean and Claudius Mathias began bottling and selling their own wines, marking a turning point. In 1992, Gilles Mathias and Béatrice Prost took over the estate and expanded it, reaching 12 hectares by 2019. Under their leadership, the vineyard was certified Organic Farming (Agriculture Biologique) as early as 2010. Thibault Mathias, son of Gilles, now carries on the family legacy, highlighting iconic appellations of the Mâconnais such as Pouilly-Fuissé, Pouilly-Vinzelles, and Mâcon-Chaintré. In the cellar, winemaking favors the use of indigenous yeasts and long aging on lees to enhance the aromatic richness and texture of the wines. The key feature? The continuity of an early organic tradition in Burgundy, with an uncompromising approach to expressing the full complexity of the Mâconnais terroirs.

## VARIETAL

Chardonnay 100%

## LOCATION

At the top of Vinzelles, facing due East — a good hillside.  
Age of vines: 55 years old

## TERROIR

Clay-silt soils

## IN THE VINEYARD

The vineyard is cultivated using organic farming methods. Pruning and vine training follow the traditional practices of southern Burgundy.

## WINEMAKING

All our wines have been certified Organic (Agriculture Biologique) since the 2013 vintage. They are produced on a unique Burgundian terroir, carefully crafted and bottled at the estate.

## AGEING

Aged on the lees

## SERVING

10 à 12°C

## AGEING POTENTIAL

3 to 5 years

## TASTING

Honey aroma, apricot aromas, acacia aromas, mineral aromas, delicate, refined.

## FOOD PAIRINGS

Grilled andouillette, sauerkraut, shellfish, seafood, grilled fish, white meats.

## PRODUCTION VOLUME

8 000
