TASTING

This beautiful pale-pink color blend of Cinsault and Grenache is a refreshing and well-balanced rosé. It smells light and fresh right off the bat, with intense notes of wild strawberries, white peach and just a touch of white chocolate. The crisp palate offers enough acidity to lift the ripe peach, melon and red currant flavors, with a gentle citrus rind pithiness on the close, finishing snappy and fresh. It's well balanced and easy to like.

FOOD PAIRINGS

Enjoy a glass sat out in the sun, with light salads, pasta and rice dishes, especially with seafood, raw and lightly cooked shellfish and grilled fish and goats' cheeses. Perfect hot weather drinking.
