Château La Motte Sicard

AOP Bordeaux - 2020 - **RED**

PRESENTATION

Château La Motte Sicard was established in the 1940s by Mr. Leroux's grandfather, the current operator. Spanning 27 hectares, the estate is partly situated on clay-loamy soils and partly on clay-limestone soils. This soil diversity is mirrored in the wine's balanced character.

THE WINE

VARIETALS: Merlot
WINEMAKING / AGEING: Château La Motte Sicard embodies our winemakers' aspiration to present an exceptional wine "in its simplest form" to all who appreciate unadorned pleasures. We commit to crafting a wine that purely expresses the grape and the expertise of our cellar masters, without the addition of sulfites.

TASTING

Its brilliant robe with amethyst reflections is as striking as the aromas that unfold on the palate. The subtlety of red berry notes that first emerge gradually gives way to the indulgence of chocolate.

SERVING / FOOD PAIRINGS

SERVING: 17°C
FOOD PAIRINGS: Grilled Lamb Chops, Beef Bolognese Pasta, Roasted Duck Breast or even Mushroom Risotto
