

COEUR PERDU

Cœur Perdu Red 2020

AOC Lussac-Saint-Emilion, Bordeaux, France

PRESENTATION

Cœur Perdu is a single-vineyard micro-cuvée from Château de Barbe Blanche. The cuvée's name refers to the writings found in the Barbe-Blanche quarries during the passage of American soldiers during the First World War. At the time, there were many stories of love affairs, sometimes impossible, between these soldiers and local girls. This confidential wine is made from the oldest Bordeaux grape variety, Cabernet Franc. Born of old vines planted on a remarkable clay-limestone terroir, this historic grape variety offers us here its finest expression. Very well-balanced and elegant, this wine has a beautiful aromatic complexity, with notes of black fruit (cherry), mixed with subtle chocolate flavors. Only 1,200 bottles produced each year.

THE VINTAGE

WEATHER CONDITIONS

2020 was marked by very mild temperatures and contrasting precipitation: heavy spring rainfall was followed by an intense summer drought. The fairly mild winter led to early bud break. The summer heat gave way to cool nights in late August, ideal for ripening grapes.

TASTING

Deep red colour.

Elegant nose, marked by notes of ripe black fruit (black cherry), combined with tasty aromas of chocolate, caramel and liquorice.

Well-balanced on the palate, with a certain tension and freshness. We find the gourmet notes of black fruits (cherry); the whole slightly chocolate. Quite firm tannins on the finish. This is a wine with a nice aromatic complexity, which can be enjoyed now or left to age further.

REVIEWS AND AWARDS

"This is beautiful and, perhaps for now, my favourite of the three micro-cuvées (but then I have always had something of a soft-spot for the aromatic purity and expressiveness of Cabernet Franc). This is intense and, above all, intensely herbal and floral – with lots of evident Cabernet pyrazine notes.

On the palate it is gentle, a little austere and held-back, ultra-soft on the entry and with a very elegant, stylish and sleek frame – a perfect vehicle for the dark berry fruit and subtly floral elements that are at the heart of this wine. Pure, focused, crystalline and very characteristic of the vintage. It's a little haunting in personality and has that almost crypt-like calm tranquillity of both the varietal and the vintage. It almost feels subterranean and reflects the sombre image of its name. I find this beautifully composed and very harmonious. Like all the best Cabernet Franc it's a little introvert and quite intellectual."
